December 28, 2004

Dear Sir/Madam,

I am writing this letter to correct a mistake that I made in the Applicant Information section of the Application Data Sheet of the patent application number 10/725,116. In the Primary Citizenship Country line I wrote "Russia". I misunderstood this question as asking about where I was originally from. While I came to the United States from Russia, I am now and was at the time of the filing of the application a United States citizen.

I am sending to you a corrected Application Data Sheet. The only correction in it is with regard to the mistake in Citizenship Country line described above.

I appreciate your help in this matter.

Sincerely,

Victor Gorelik, inventor
